The stewards evidently scented scandal, for in a statement issued soon after the race the entries of all horses owned, trained or under the control of Veitch were ordered refused and his case referred o the National Steeplechase Racing Association for further investigation. Northwood won here the second day

Northwood won here the second day of the meeting, and five days later finished third to Robert Oliver and Kingstown Fier.

According to Frank Bryan, who represents the National Steepischnae Association in the stewards stand here, Veitch attributed Northwood's peculiar conduct yesterday to his bleeding. Dr. McCully, the official yesterinarian, was sent for and reported the horse sound.

Veitch formerly was a rider of steepischnaers, but of late years has trained them, with varying success. The action by the officials in this case may be a forerunner of other similar rulings. This branch of the theroughbred aport has been a fixture of the season up to the beginning of the Spa's meeting.
